United Global Media Group, Inc.

v.

Bonnie Tseng

**Andrew P. Baxley, Interlocutory Attorney:**

Proceedings herein are suspended pending disposition of the applicant's motion, filed November 15, 2012, to test the sufficiency of opposer's responses to request for admissions, except as discussed below. The parties should not file any paper which is not germane to the motion to test the sufficiency. See Trademark Rule 2.120(h)(2).

This suspension order does **not** toll the time for either party to make any required disclosure, to respond to discovery requests which had been duly served prior to the filing and service of the motion to compel, or to appear for a discovery deposition which had been duly noticed prior to the filing and service of the motion to compel. See *id.* The motion will be decided in due course.
