v.

Tseng, Bonnie for BeauTV, Inc.

Trademark Trial and Appeal Board:

Please consider this a petition for a Motion to Extend Trial period time to File defendant's Documents related to Trademark application for mark BEAUTV, opposition No. 91200786 for 30-45 days beyond the Trial Period End of June 30, 2013.

Due to previously documented serious medical illnesses and a severely handicapping injury that affected abilities during the proceedings, the defendant petitions the Board for more time in order to better defend the application for mark BEAUTV. The opposer has been notified throughout their opposition and proceedings in previous communication regarding the extenuating circumstance of serious illnesses & handicap. This extension will allow the registrant (defendant) time to better produce materials essential to the defense of registration of trademark Serial No. 85155593. The plaintiff shall be served notice of this Motion to Extend trial period time to file defendant's documents at the address listed above.

Sincerely,

Bonnie Tseng, BeauTV, Inc.
