AMENDED
NOTICE OF OPPOSITION

In the matter of the application of JUST BONES BOARDWEAR LIMITED LIABILITY COMPANY, a New Jersey limited liability company, having an address of 17 Clive Hills Road, Short Hills, NJ 07078, (hereinafter "Applicant"), for registration of the trademark JUST BONES BOARDWEAR & Design ("Applicant's Mark"), as set forth in Application Serial No. 85145920, published in the *Official Gazette* of March 22, 2011, George A. Powell, an individual citizen of the United States of America having an address of 30 South La Patter Lane, Santa Barbara, California 93117 (hereinafter "Opposer"), believes he will be damaged by

Applicant's Mark in the form shown below and as it appears in Application Serial No. 85145920 and hereby opposes the same.

The grounds for opposition are as follows:

1. Opposer, through his related companies and licensees, for many years and long prior to any date of first use upon which Applicant can rely, has continuously used, licensed, manufactured, sold, distributed, and advertised in interstate commerce in conjunction with the mark BONES and marks incorporating the word BONES, for various goods and services, including apparel, streetwear, boardwear, skateboards, action sports apparel, and related goods and accessories, in Classes 25, 28, and 41.

2. Opposer is the owner of common law rights and at least fifteen (15) valid and subsisting United States trademark registrations, covering a variety of goods and services, for the mark BONES, which is used alone and in combination with other words and/or designs (collectively "Opposer's Marks") as shown in the following trademark registrations (with printouts of the

registration certificates and proof of status as shown in TARR
 attached as Exhibit A):

Each of Opposer's Marks is valid and subsisting and constitute *prima facie* and/or conclusive evidence of Opposer's ownership of the family of BONES marks and the exclusive right to use Opposer's Marks on the goods and services identified in the registrations. Furthermore, several of the above-noted registered Marks are incontestable under 15 U.S.C. §1065. Because Opposer's Marks are arbitrary and strong and further because Opposer has used the mark BONES continuously since 1977 in connection with apparel in Class 25 long before the filing date for Applicant's Mark or any use that may be asserted for Applicant's Mark, Opposer is entitled to protection of his distinctive marks.

3. Opposer, through long use of the BONES trademark and substantial advertising and promotion has developed valuable goodwill in connection with Opposer's Marks. Opposer's apparel goods and hard goods have been offered and advertised continuously to the public throughout the United States through various channels of trade, including surf shops, sporting good stores, skate shops, and action sports stores in conjunction with Opposer's Marks since at least as early as June 1977. By reason of such advertising and wide distribution of Opposer's goods and services, the public recognizes the mark BONES as solely signifying the goods and services by Opposer.

4. Opposer uses the word BONES in conjunction with clothing and skateboard goods which are sold in surf shops, skateboard shops, and sporting goods stores which sell to customers that include snowboarders, skateboarders, and surfers.

5. Notwithstanding Opposer's exclusive prior rights in and to the trademark BONES, Applicant, on October 6, 2010, filed an intent-to-use application to register Applicant's Mark in Class 25 for "*swimwear, T-shirts, sweatshirts, flip flops, baseball caps.*" Said application was assigned Serial No. 85145920 and the mark was published for opposition in the *Official Gazette* of March 22, 2011.

6. The term "boardwear" has been disclaimed by Applicant.

7. The term "boardwear" refers to a distinctive style of fashion clothing with roots in the "board sports" industries of surfing, snowboarding, and skateboarding.

8. The term "boardwear" is a descriptive term.

9. The mark JUST BONES BOARDWEAR & Design, which Applicant seeks to register, is confusingly similar in sound, appearance, and connotation to Opposer's Marks. Applicant's mark contains a graphic design of what appears to be a pictorial representation of what could be a skateboard, bodyboard, snowboard, or a surfboard and the incorporation of such design is designed to connote a connection to surfing, skateboarding, or snowboarding. Applicant's mark also contains a depiction of what is described in Application Serial No. 85145920 as a "skull and crossbones"

or a "poison symbol" graphic design which creates a connection to certain designs used by Opposer that also contain a skull and crossbones or similar connotation, namely the marks in Reg. Nos. 2057174 and 3603333. Further, Applicant seeks to register Applicant's Mark for goods that are closely related or identical to the goods and services of Opposer, namely boardwear clothing and boardwear related goods. The use of the word JUST BONES in Applicant's Mark with the word "boardwear" is likely to be confused with the clothing goods sold by Opposer bearing the trademark BONES sold in surf shops, skate shops, sporting goods stores, retail clothing stores, and on the Internet.

10. Applicant's JUST BONES boardwear goods would be provided to the same class of consumers and through the same channels of trade and distribution as Opposer's clothing and skateboard related goods. Potential purchasers of Applicant's boardwear clothing goods would be potential purchasers of Opposer's clothing goods which are likely to be sold in the same retail and online stores.

11. Applicant's Mark, so resembles Opposer's Marks that the registration of Applicant's Mark and any use by Applicant of Applicant's Mark is likely, when applied to the goods identified in Applicant's application, to cause confusion, mistake, or deception within the meaning of Section 2(d) of the Trademark Act, all to Opposer's damage.

12. Opposer's BONES mark became famous before the filing date of App. Ser. No. 85145920 and any date of use that may be claimed by Applicant and has strong and distinctive character qualifying for protection under Section 43(c) of the Lanham Act, 15 U.S.C. §1125(c), as amended.

13. Application Serial No. 85145920 was filed on October 6, 2010 and therefore is subject to the provisions of Section 43(c) of the Lanham Act, as amended.

14. Opposer believes that the registration of Applicant's Mark in Class 25 will cause dilution of the distinctive quality of Opposer's Marks and seriously and substantially damage Opposer in violation of Section 43(c) of the Lanham Act, as amended.

15. Although the application filed by Applicant under oath asserts that Applicant has a bona fide intention to use the JUST BONES BOARDWEAR mark in commerce in connection with "*swimwear, T-shirts, sweatshirts, flip flops, and baseball caps*" in Class 25, Applicant had no bona fide intention to use Applicant's Mark in commerce in connection with all of the goods in the Application.

16. Applicant did not have a bona fide intention to use the JUST BONES mark in commerce for all of the goods specified in Application Serial No. 85145920 when the same was filed.

17. Applicant's Mark is unregistrable pursuant to Section 1(b) of the United States Trademark Act, as amended, 15 U.S.C. §1052(b) and should be refused registration.

WHEREFORE, Opposer believes he will be damaged by said registration and requests that Application Serial No. 85145920 for Applicant's Mark be denied on the grounds set forth herein and that this Opposition be sustained.

The filing fee for this Amended Notice of Opposition has previously been paid.
