Millicent Canady, Paralegal Specialist:

Opposer's consented motion filed December 31, 2013 to extend disclosure, discovery and trial dates is granted.¹ Trademark Rule 2.127(a).

Such dates are reset in accordance with opposer's motion.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of taking of testimony. Trademark Rule 2.125.

¹ Inasmuch as the motions represents the dates and terms to which the parties have, in fact, consented, the Board grants the parties' motions, as filed. However, the Board will grant no further extensions or suspensions, even if consented, in the absence of a detailed report demonstrating good cause therefor. Said report must recite what progress the parties have made toward resolving this matter, the issues that have been resolved, the issues that remain to be resolved, and a firm timetable for resolution.
