FOR 30 DAYS**

**CONSENTED MOTION TO EXTEND DISCOVERY AND TRIAL PERIODS**  
**FOR 30 DAYS**

In the opposition no. 91200893, Opposer, Repify, Inc., hereby submits this consented motion to extend discovery and trial periods for 30-days. The Applicant, Reppify LLC, has consented to the 30-day extension of the discovery and trial periods. The consented motion is being filed based on the extraordinary circumstances in settling this matter between two parties where there are a number of complex issues which must be addressed in an agreement. The parties have reached settlement and are in the process of executing the settlement agreement and request an additional 30-days to enable completion of execution of the agreement.

Specifically, pursuant to the Consented Motion dated July 1, 2014, the Expert Disclosures are due on August 1, 2014. The parties jointly request that the discovery and trial

periods be extended for 30-days and all dates in the opposition extended accordingly. The new (proposed) dates are set out below.

Time to Answer :	CLOSED
Deadline for Discovery Conference :	CLOSED
Discovery Opens :	CLOSED
Initial Disclosures Due :	CLOSED

Defendant's Pretrial Disclosures :	1/14/2015
Defendant's 30-day Trial Period ends :	2/28/2015
Plaintiff's Rebuttal Disclosures :	3/13/2015
Plaintiff's 15-day Rebuttal Period Ends :	4/12/2015

The parties request the extension based on continued engagement in finalizing the terms of the written settlement agreement. Below is a detailed report regarding the status of the settlement negotiations.

The parties have actively been working with their respective clients to exchange a finalized settlement agreement for execution. With the final exchange, the parties finalized the agreement for execution. During this last extension, the parties were able to come to agreement on the primary terms and the secondary terms, and signature by one party has been completed. Finally, the parties are in the process of execution of the agreement. It is expected that execution of the agreement will be finalized during the next period.

The additional extension is requested to enable the final execution of the agreement.

The parties are not requesting an additional suspension to improperly delay the proceedings. Instead, the extension request is being made so that the parties can obtain the signatures.

Accordingly, Opposer, Repify, Inc., and Applicant, Reppify LLC, respectfully jointly submit and sincerely request that the Board allow the discovery and trial periods to be extended for an additional thirty (30) days and to extend the dates as listed above.

Counsel for Opposer, Repify, Inc., further provides the certificate of service and Counsel for Reppify LLC has agreed to service of the Consent Motion by U.S. first class mail.

Dated: July 31, 2014

Respectfully submitted,
