BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

In the matter of application Serial No. 85/177,404
For the Trademark FACEDATE
Published in the *Official Gazette* on April 5, 2011

FACEBOOK, INC.,)	
)	
Opposer,)	
)	Opposition No.
v.)	
)	
JESSICA MARIE KETEVECS; TED MARTIN)	
SICHELMAN,)	
)	
Applicants.)	
<hr style="border: 0.5px solid black;"/>		

NOTICE OF OPPOSITION

Opposer Facebook, Inc. (“Facebook”), a Delaware corporation having its principal place of business at 1601 S. California Avenue, Palo Alto, California 94304, believes that it will be damaged by the issuance of a registration for the mark FACEDATE (“Applicants’ Mark”), as applied for in Application Serial No. 85/177,404 filed on November 16, 2010 by Applicants Jessica Marie Ketevecs and Ted Martin Sichelman (“Applicants”), individuals, with a mailing address of 864 Grand Avenue # 424, San Diego, California 92109.

As grounds for opposition, Facebook alleges that:

1. Since its online networking service was launched in February 2004, Facebook has continuously used the mark FACEBOOK in interstate commerce in the United States in connection with its goods and services. The FACEBOOK mark is highly distinctive with regard to online social networking goods and services, and Facebook users are accustomed to seeing

and expect to see Facebook across the world wide web, not just on the Facebook site.

2. Facebook owns multiple U.S. registrations for the mark FACEBOOK. These registrations cover a wide variety of goods and services, including, but not limited to:

- Online networking services; online chat functions for transmission of messages, photographs, videos, and other user-defined content; and online forums;
- Hosting customized web pages featuring user-defined information and personal profiles;
- Online journals featuring user-defined content and electronic publishing services; and
- Software to enable uploading, tagging, and sharing of photographs, videos, and other user-defined content or information.

3. True and correct copies of registrations for the FACEBOOK mark are attached hereto as Exhibit A, and are incorporated by reference as though fully set forth herein.

4. In addition, Facebook has common law rights in the FACEBOOK mark and marks that incorporate FACEBOOK in connection with various other goods and services, including as identified in pending U.S. trademark applications. True and correct copies of the U.S. Patent and Trademark Office online status pages for Facebook's pending trademark applications for its FACEBOOK and FACEBOOK-formative marks are attached hereto as Exhibit B, and are incorporated by reference as though fully set forth herein. All of Facebook's marks that consist of or incorporate the term FACEBOOK are referred to herein as the "FACEBOOK Marks."

5. As a result of the nature and quality of Facebook's goods and services, its widespread use of the FACEBOOK Marks, extensive and continuous media coverage, the high degree of consumer recognition of the FACEBOOK Marks, Facebook's enormous and loyal user base, its numerous trademark registrations and pending applications, and other factors, the

FACEBOOK Marks are famous within the meaning of Section 43(c) of the United States Trademark Act, 15 U.S.C. § 1125(c).

6. Applicants filed an application to register Applicants' Mark on an intent-to-use basis on November 16, 2010 for: "Dating services, namely, providing an on-line computer database featuring single people interested in meeting other single people; Internet based social networking, introduction, and dating services; Internet-based dating, social introduction and social networking services; Marriage partner introduction or dating services; On-line social networking services; Providing a social networking website for entertainment purposes; Providing on-line computer databases and on-line searchable databases in the field of social networking" in International Class 045.

7. Applicants' Mark was published in the *Official Gazette* on April 5, 2011.

**FIRST GROUND FOR OPPOSITION:
LIKELIHOOD OF CONFUSION**

8. Facebook incorporates by reference Paragraphs 1 through 7, inclusive, as if fully set forth herein.

9. Facebook began using its FACEBOOK mark at least as early as February 2004, and filed applications resulting in federal registrations well prior to Applicants' application to register Applicants' Mark.

10. Applicants' Mark is similar to the registered FACEBOOK Marks in appearance, sound, meaning, and commercial impression.

11. Applicants' services under Applicant's Mark, as identified in their application, are the same as and/or related to Facebook's goods and services.

12. Facebook is informed and believes, and based thereon alleges, that Applicants will offer their services under Applicants' Mark through the same channel of trade, i.e., the

internet, as Facebook.

13. Facebook is informed and believes, and based thereon alleges, that Applicants' Mark was adopted with knowledge of, and the intent to call to mind and create a likelihood of confusion with regard to, and/or trade off the fame of Facebook and the registered FACEBOOK Marks.

14. Applicants' Mark creates a false suggestion of an affiliation or connection between Applicants and Facebook, where none exists.

15. Facebook is not affiliated or connected with Applicants or their intended services; nor has Facebook endorsed or sponsored Applicants or their intended services.

16. Facebook has no control over the nature and quality of the services offered under Applicants' Mark, and the value of Facebook's registered and common law marks are jeopardized by the registration of Applicants' Mark. Because of the likelihood of confusion between the parties' marks, any defects, improprieties, or faults found with Applicants' services marketed under Applicants' Mark would negatively reflect upon and injure the reputation that Facebook has established for the goods and services it offers in connection with the registered FACEBOOK Marks.

17. Registration of the mark herein opposed will damage Facebook because Applicants' Mark is likely, when used on or in connection with the services described in the opposed application, to cause confusion, or to cause mistake or to deceive. Thus, Applicants' Mark is unregistrable under 15 U.S.C. §§1052, 1053, 1063 and 1125 and should be refused registration.

///

///

**SECOND GROUND FOR OPPOSITION:
DILUTION OF A FAMOUS MARK**

18. Facebook incorporates by reference Paragraphs 1 through 17 inclusive, as if fully set forth herein.

19. The FACEBOOK Marks are inherently distinctive in relation to Facebook's online social networking goods and services.

20. Facebook has used the FACEBOOK trademark since at least as early as 2004 for online networking goods and services, and has expanded use of the FACEBOOK Marks to many other goods and services.

21. Facebook is the owner of numerous U.S. registrations and applications for the FACEBOOK Marks.

22. Facebook has continuously used the FACEBOOK Marks throughout the United States and internationally.

23. As a result of the enormous publicity afforded the FACEBOOK Marks, and the strong and loyal base of customers that enjoys Facebook's goods and services, the FACEBOOK Marks have a high degree of consumer recognition, are widely recognized by the general consuming public of the United States as a designation of Facebook's goods and services, and are famous.

24. The FACEBOOK Marks became famous before Applicants' filing to register Applicants' Mark on November 16, 2010.

25. Applicants' Mark is likely to cause an association between Applicants' Mark and the FACEBOOK Marks that impairs the distinctiveness of the FACEBOOK Marks and weakens the connection in the public's mind between the FACEBOOK Marks and Facebook's goods and services.

26. Applicants' Mark is likely to cause dilution by blurring based on a number of relevant considerations, including:

(a) Applicants' Mark is similar to the FACEBOOK Marks.

(b) The FACEBOOK Marks are inherently distinctive in relation to Facebook's online social networking goods and services;

(c) Facebook has substantially and exclusively used the FACEBOOK Marks in connection with online social networking goods and services;

(d) The FACEBOOK Marks are widely recognized by the general consuming public;

(e) Facebook is informed and believes, and based thereon alleges, that Applicants' adoption of FACEDATE was and is intended to create an association with the FACEBOOK Marks.

27. Accordingly, Applicants' Mark is unregistrable under 15 U.S.C. §§ 1052, 1053, 1063, and 1125, and should be refused registration.

///
