NOTICE OF OPPOSITION

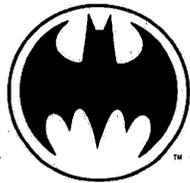

DC Comics (“Opposer” or “DC”) is a general partnership organized and existing under the laws of the State of New York, having its principal place of business at 1700 Broadway, New York, New York 10019. The general partners of the partnership are Warner Communications,

Inc., a Delaware corporation, and E.C. Publications, Inc., a New York partnership. Opposer believes it will be damaged by the registration of the design mark of a black silhouette of a bat with the word “BAT” underneath (the “Bat Design Mark”) as shown in the above-identified application and hereby opposes the same.

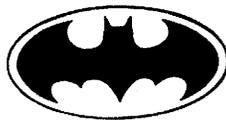

The grounds for opposition are as follows:

1. Opposer is the owner of all rights and interests in the world-famous comic book BATMAN and related BATMAN characters. DC owns all trademarks, copyrights and indicia associated with BATMAN, which has been an integral part of popular culture for over seven decades.

2. Since as early as 1939, Opposer and its predecessors in interest have used the mark BATMAN. In connection with that use, Opposer has also used a related family of design marks, including the BAT SIGNAL Mark, which is the famous image of a round spotlight in the sky enclosing the silhouette of a bat:

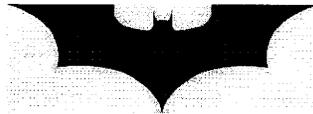

as well as the BAT EMBLEM Mark, the famous BATMAN crest featured on BATMAN’s chest and consisting of the silhouette of a bat encased in an oval:

along with the BATMAN THE BRAVE AND THE BOLD Mark used in an animated television series:

and the BATMAN BEGINS Mark (collectively the “BAT LOGO Marks”):

3. The family of BAT LOGO Marks have been used with various other marks featuring the prefix “BAT” (collectively “BATMAN Marks”), in connection with its world-famous comics and related goods and services such as television programs, motion pictures, and licensed merchandise including clothing, sporting goods, toys, food, records, audio/visual tapes, cassettes, CDs and DVDs, and personal care products, including mouthwash, soaps and tooth brushes, among many others. DC’s famous BATMAN comic books, television shows, feature films and other promotional and sales vehicles use the marks BATPHONE, BATMOBILE, BATCAVE, BATCODER and similar marks in such a way that the public associates not only the individual BATMAN Marks, but the common prefix “BAT” with DC and its famous BATMAN comic and character.

4. The BATMAN Marks have been and are being used, both directly and under license, for a wide variety of goods and services (“BATMAN Goods and Services”) and are exclusively associated with DC by consumers. DC has established good will and fame of inestimable value in the BATMAN Marks.

5. Opposer’s BATMAN Goods and Services remain enormously famous and popular worldwide today.

6. Opposer's BATMAN Marks are the subject of incontestable Federal Trademark Registrations for a wide variety of goods and services including comic magazines and books (Reg. Nos. 382,770; 804,709; 1,219,120; 1,221,720; and 2,119,266), entertainment services in the nature of television programs and animated cartoons, motion pictures, and amusement park rides (Reg. Nos. 1,652,640; 2,171,937; and 1,861,233), toys and sporting goods, including soccer balls, sport balls, baseballs, basketballs, and baseball gloves, (Reg. Nos. 858,860; 2,245,040; 1,124,961; and 1,581,725), clothing, including sports wear and sneakers (Reg. Nos. 856,045 and 1,581,659), records and audio/visual tapes and cassettes (Reg. No. 2,762,067) and other goods and services. Attached as Exhibit A is a list of DC's active Federal Registrations and pending trademark applications for its BATMAN Marks.

7. As a result of the worldwide fame and popularity of the BATMAN Goods and Services, the BATMAN Marks have developed secondary meaning and significance in the minds of the public, and the goods and services bearing the BATMAN Marks are immediately identified with Opposer, or at a minimum, as goods and services coming from a single, albeit anonymous, source.

8. Zhangjiagang Daxin Haiba Daojianchang Corp. ("Applicant") has filed the above captioned application (the "Application") to register the Bat Design Mark, which copies DC's BAT LOGO Marks, in connection with "shears; hair-removing tweezers; manicure sets; pincers and pedicure sets" in International Class 8.

9. The Application was published in the *Official Gazette* on June 28, 2011.

10. Opposer clearly has priority of use over Applicant whose filing date of June 21, 2010 is long subsequent to Opposer's first use of its BATMAN Marks.

11. Applicant's Bat Design Mark is confusingly similar in appearance to Opposer's BAT LOGO Marks, which the public exclusively associates with DC and its famous BATMAN character. The close resemblance of the marks to each other will cause confusion or cause consumers to believe that Opposer has authorized or endorsed the quality of Applicant's goods.

12. On information and belief, Applicant adopted and applied for the proposed Bat Design Mark with knowledge of Opposer's world famous BATMAN Marks, BATMAN character, and BATMAN Goods and Services, and with the intent to trade on the good name as well as the reputation of DC's BATMAN Goods and Services.

13. Applicant's registration and use of the Bat Design Mark is likely to create confusion and deceive purchasers into believing that Applicant's goods originate with or are in some way sponsored, endorsed, licensed, associated or otherwise authorized or connected with Opposer. Such confusion would irreparably harm and damage Opposer because Opposer has no control over the nature or quality of the goods provided or produced by Applicant under the Bat Design Mark.

14. Registration of Applicant's proposed Bat Design Mark is also likely to lead to dilution of the distinctive and famous BATMAN Marks.

15. For all of the foregoing reasons, Opposer will be damaged by Applicant's registration of the Bat Design Mark.

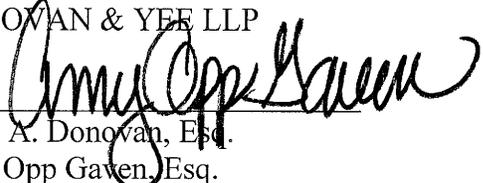

WHEREFORE, Opposer respectfully requests that this Opposition be sustained and that the registration by Applicant of the proposed Bat Design Mark be refused.
