--- MOTION TO EXTEND TIME TO FILE AN ANSWER TO OPPOSITION ---

To whom it may concern;

Dear Sir/ Madame,

I made an application for a Trade Mark on behalf of my company Vitamine & Sea which has recently been apposed by Victoria's Secret Stores Brand Management. Because of the recent change in our office address (or the Canadian Postal Service strike), we were unable to receive the notice of opposition in due time which has therefor left us with little time to prepare and present our arguments in this case. Therefor, we are requesting an extention of time to be granted in order to give us the respectful delay to carefully review and provide you with an answer to the opposition we have been faced with. As we have recently confirmed our new address in your records, we hope to receive further notifications in a timely manner and appologize for any inconvenience.

Thank you,

Yael Mamroud
