**JOINT MOTION TO SUSPEND OPPOSITION**

Applicant, Baker & Finnemore Limited ("Baker" or "Applicant"), and Opposer, Diversified Control Inc. ("DCI" or "Opposer", together with Baker "the Parties"), respectfully and jointly move for an additional suspension of the above-referenced opposition proceeding for **sixty (60) days, up to and including JUNE 27, 2012**, pending finalization of a settlement agreement between them to resolve and settle the same.

The Parties state that they are not moving for this additional suspension for purposes of delay, but rather, because they continue to seek settlement of this matter, they have reached agreement in substance, and they require additional time to finalize and execute a settlement agreement that will resolve all outstanding issues in the opposition proceeding. The Parties further state that they anticipate having a signed settlement agreement by or before June 27, 2012. This is the third motion for suspension submitted in this matter.

For the reasons detailed herein, the Parties respectfully request that the Board grant the requested suspension.

Respectfully submitted,

**DIVERSIFIED CONTROL, INC.**
