Opposition No. 91201555

Xtreme Couture, Inc.

v.

Able Planet, Incorporated

By the Trademark Trial and Appeal Board:

Now before the Board is applicant's September 4, 2014, stipulation for express abandonment and amendment.

Express Abandonment of 85122748 and 85114059

In view of the express abandonment with the written consent of opposer, application Serial Nos. 85122748 and 85114059 stand abandoned, and the opposition is dismissed without prejudice as to these applications. See Trademark Rule 2.135.

Amendment to 85110811

By the proposed amendment applicant seeks to delete from application Serial No. 85110811 the identifications of goods for International Classes 18 and 25 in their entirety. The deletion of an entire class of goods in an application is, in effect, an abandonment of that application as to that class.

In view of the abandonment of Classes 18 and 25 with the written consent of opposer, application Serial No. 85110811 stands abandoned as to those classes, and the opposition is dismissed without prejudice as to those classes. *See* Trademark Rule 2.135.

Opposition Dismissed

Inasmuch as the stipulation covers all of the classes subject to the notice of opposition, the opposition is dismissed without prejudice.
