838,329	HOMELITE	Lawn mowers in Class 7	1967-11-07
151,508	HOMELITE	Electric generating plants in Class 9	1922-02-07

Printouts of information from the USPTO's Trademark Applications and Registrations Retrieval (TARR) and Assignment databases showing the current status and title of these registrations are attached hereto as Exhibit A.

5. Opposer's HOMELITE Registrations have not been cancelled, are valid, and are in full force and effect.

6. Opposer's U.S. Registration Nos. 2,244,195, 1,844,112, 1,040,443, 968,094, 867,511, 838,647, 838,329 and 151,508 are incontestable under Section 15 of the Lanham Act, 15 U.S.C. § 1065, and are conclusive evidence of the validity of the HOMELITE mark and registrations, of Opposer's ownership of the mark and of Opposer's exclusive right to use the mark in commerce under Section 33 of the Lanham Act, 15 U.S.C. § 1115. The other HOMELITE Registrations constitute additional *prima facie* evidence of Opposer's exclusive right to control use of the HOMELITE mark in commerce.

7. Opposer has priority over Applicant with respect to the marks at issue. Opposer and its predecessors-in-interest filed the applications that resulted in its HOMELITE Registrations, and commenced use of the marks covered by the HOMELITE Registrations, well prior to the January 9, 2011 filing date of Applicant's Application No. 85/213,553 and the November 18, 2010 first use date cited therein.

8. Opposer and its predecessors-in-interest have used the HOMELITE mark in connection with the goods and services identified in its HOMELITE Registrations continuously since the dates of first use identified therein.

9. As a result of considerable funds invested in advertising and marketing the goods offered under Opposer's HOMELITE trademark, the HOMELITE mark has enjoyed wide acceptance and popularity in the marketplace and represents valuable goodwill inuring to the benefit of Opposer.

10. Opposer's HOMELITE mark is famous among the purchasing public and the trade as denoting Opposer as the source of high-quality products, including lawn and garden tools and equipment.

11. Applicant seeks to register the mark HOVALITE in connection with "agricultural machinery and attachments therefor, namely, rotary mowers, box scrapers, and three-point attachments; electric lawn trimmers; gasoline lawn mowers; lawn and garden string trimmer spools; lawn mowers; mechanical lawn mowers; non-motorized walk-behind reel-type lawn mower; power operated lawn and garden string trimmers; power-operated grass/weed trimmers; rechargeable hedge cutters; riding lawn mowers; tractor towed agricultural implements, namely, mowers" in Class 7.

12. Applicant's HOVALITE mark is confusingly and deceptively similar to Opposer's HOMELITE mark.

13. Applicant's HOVALITE mark is nearly identical in sight and sound to Opposer's HOMELITE mark.

14. All of the goods identified in Applicant's Application No. 85/213,553 are either identical or related to the goods identified in Opposer's HOMELITE Registrations.

15. Upon information and belief, Opposer's goods and Applicant's goods are promoted in the same channels of trade to the same consumers or class of consumers.

16. Given the similarity between Applicant's HOVALITE mark and Opposer's previously used and registered HOMELITE mark and the identical nature of the parties' goods,

consumers are likely to believe that Applicant's goods originate from Opposer or are otherwise endorsed, sponsored or approved by Opposer, resulting in a likelihood of confusion in the marketplace and damage to Opposer.

17. Upon information and belief, Applicant had knowledge of the fact that Opposer used the term HOMELITE as a trademark and that Opposer's HOMELITE mark was well-known and had significant goodwill before it adopted its HOVALITE mark.

18. Applicant does not have Opposer's consent to use or register Applicant's mark.

WHEREFORE, Opposer requests that this opposition be sustained and the registration sought by Applicant be refused.

Respectfully submitted,

**TECHTRONIC OUTDOOR PRODUCTS
TECHNOLOGY LIMITED**

By its Attorneys,

Date: September 14, 2011
