Re: Notice of Opposition 91201652 re SCIENCEBOOK (Ser. No. 85/212,498)

Dear Commissioner:

I write to advise the Board that the service copy of the Notice of Opposition against Serial No. 85/212,498 for the mark SCIENCEBOOK (Opposition No. 91201652), was returned as undeliverable to the address of record for Applicant Andrew Jay Isaak, as listed at the time the Notice of Opposition was filed. A photocopy of the returned envelope is attached hereto as Exhibit A. Opposer Facebook also served Applicant with a courtesy copy of the Notice of Opposition via e-mail to the address listed in connection with Applicant's application on the same day that the opposition was filed. A true and correct copy of the email is attached hereto as Exhibit B.

Applicant has since updated his correspondent address of record, and the Board's Notice of Institution of Opposition mailed on September 16, 2011 was sent to Applicant's new address of record. Immediately upon learning of Applicant's change of address, Opposer sent a courtesy copy of the Notice of Opposition to Applicant's new address. A true and correct copy of Opposer's correspondence is attached hereto as Exhibit C.

Very truly yours,

Cooley LLP

RE: United States Trademark Application for SCIENCEBOOK

Dear Mr. Isaak:

We note that you have recently updated the correspondence address in connection with your application before the USPTO for the mark SCIENCEBOOK (Ser. No. 85/212,498). Accordingly, please find enclosed a courtesy copy of the Notice of Opposition filed by Facebook, Inc. on September 14, 2011 against said application. Due to the fact that the Trademark Office's Notice of Request for Extension of Time was previously returned as undeliverable to your original correspondence address, a courtesy copy was also sent via email to your email address, andrew.isaak@gmail.com on September 14, 2011.

If you have any questions regarding this filing, please feel free to contact me. If you retain counsel in connection with this dispute, we'd appreciate you forwarding his/her contact information as soon as conveniently possible.

Sincerely,

Cooley LLP
