**NOTICE OF OPPOSITION**

Pandora Jewelry, LLC, a limited liability company organized under the laws of the state of Maryland, located at 8671 Robert Fulton Drive, Suite A, Columbia, Maryland 21046 (“Pandora ” or “Opposer”), believes it will be damaged by the registration of Application Serial No. 85/195,476 for the designation PANDORA as a trademark for “herbal aromatherapy potpourri” in Class 3 (hereinafter “Applicant's Goods”) filed December 12, 2010 by Pandora Potpourri, LLC (“Applicant”) and published in The Official Gazette of May 31, 2011, and having previously been granted extensions of time to oppose, hereby opposes the same.

The grounds for opposition are as follows:

1. Opposer, Pandora Jewelry, LLC is a limited liability company with its principal place of business in Columbia, Maryland.

2. Long prior to the actions of the Applicant set forth herein, Opposer, through its predecessors in interest, began a jewelry business under the name and mark PANDORA to identify and distinguish its goods from the products of others (“PANDORA Brand”). Opposer was organized in the United States in 2003.

3. Since 2003, the PANDORA Brand presence has grown steadily into one of the leading jewelry brands in the United States. Today, there are more than 2,300 authorized PANDORA Brand authorized retailers operating in the U.S., as well as more than 120 dedicated “concept stores” selling only PANDORA Brand products. In addition to the PANDORA Brand modifiable jewelry concept – for which Pandora Jewelry, LLC has been awarded United States Patent No. 7,007,507 – Pandora designers have created other lines of high-quality handmade jewelry products and watches, all sold under the PANDORA Brand.

4. Since 2003, Opposer has spent very significant sums promoting the name and mark PANDORA. Such advertising of the PANDORA Brand has included, among others, nationally broadcast television and radio commercials; Pandora’s websites at pandora-jewelry.com and pandora.net, as well as advertisements through authorized retailer websites; advertisements in newspapers and magazines of national circulation; trade show appearances; and store circulars, point-of-sale materials, and displays.

5. The PANDORA Brand has enjoyed widespread unsolicited media attention in various national and regional publications throughout the United States, including a ranking of 8th out of 50 most visible brands in 2009 in the trade publication InDesign.

6. Since long prior to the filing date and of the application herein opposed and the alleged first use date of Applicant's mark, Opposer has continuously and predominantly used the names and marks PANDORA and PANDORA JEWELRY in the offering of jewelry and related products and packaging and the provision of retail store services, throughout the United States and – with its affiliated companies – throughout the world, all for the purposes of identifying and distinguishing Opposer's goods and services from those of others.

7. Opposer is the owner in the United States of names, trademarks, and service marks PANDORA JEWELRY and PANDORA, including the following United States Trademark Registrations, which are all in full force and effect on the Principal Register:

Mark	Reg. No.	Application Date	Reg. Date	International Class
	3,613,181	8/9/2007	4/28/2009	14, 16
	3,640,357	8/9/2007	6/16/2009	14, 16
	3,065,374	9/21/2004	3/7/2006	14

8. As a result of the care and skill exercised by Opposer and its affiliated companies in manufacturing and distributing PANDORA Brand jewelry products and fashion accessories, through its authorized retailer network as well as PANDORA Brand

“concept stores,” the names and marks PANDORA and PANDORA JEWELRY have acquired great fame and outstanding celebrity among the general public as identifying and distinguishing both Opposer’s jewelry products and fashion accessories and Opposer’s associated retail store services from those of others.

9. On December 10, 2010, Applicant applied to register PANDORA as a trademark for “herbal aromatherapy potpourri” in Class 3 under Section 1(a) of the Trademark Law, alleging a first use date of February 1, 2010.

10. The goods offered by Applicant under the designation PANDORA are closely related to or complementary with the various products on and in connection with which Opposer has used and makes use of its famous names and marks PANDORA and PANDORA JEWELRY. Indeed, aromatherapy products such as Applicant's Goods frequently are found in the same channels of trade as jewelry and fashion accessories. Any such proposed use of PANDORA as a trademark by Applicant is likely to be encountered by a similar class of purchasers who are familiar with the use of PANDORA and PANDORA JEWELRY made by Opposer.

11. Any use of PANDORA by Applicant when applied to Applicant’s Goods is likely to cause confusion, or to cause mistake or to deceive as to the source, origin, sponsorship, or approval of Applicant's Goods with those of Opposer.

12. Based upon the foregoing, Opposer will be damaged by the registration of Applicant’s designation PANDORA.

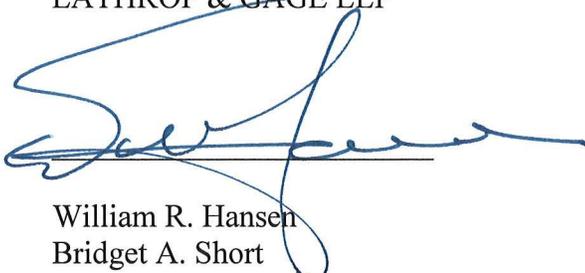

WHEREFORE, Opposer respectfully requests that its opposition to the application for registration of the designation PANDORA be sustained and that the registration sought by Applicant be refused.

Please charge the requisite fee in the amount of \$600 and charge any additional fees or credit any refunds related to the filing to Deposit Account No. 120600.

Respectfully submitted,

LATHROP & GAGE LLP
