Opposition No. 91201830

The Corps Group

v.

Afterburner, Inc.

By the Trademark Trial and Appeal Board:

In an order issued on August 1, 2017, the Board, inter alia, denied Opposer's motion for summary. *See* 33 TTABVUE (hereinafter "the August 2017 order"). On February 6, 2018, the opposition subsequently was dismissed with prejudice after Opposer filed a withdrawal of the opposition without Applicant's written consent. *See* 42 & 43 TTABVUE.

It now has come to the Board's attention that the August 2017 order inadvertently indicated that the order was precedent of the Board. *See* 33 TTABVUE 1. The August 2017 order hereby is amended solely to indicate that "TH[E] ORDER IS NOT A PRECEDENT OF THE TTAB." The August 2017 otherwise is unchanged and stands as issued. The opposition remains dismissed with prejudice, as set forth in the Board's February 6, 2018, order. *See* 43 TTABVUE.
