To Whom It May Concern:

I am in opposition of the requesting party's trademark for the following reasons:

1. The requesting party, Card Tech, is currently in litigation with the former owner of Proven Products.
2. All rights remain with the current owner until resolution of the litigation filed in US. Federal Court.
3. The requesting party is trying to circumvent the legal system with this application by fraudulently and immorally representing to the USPTO that they have a legal and financial right to this trademark.

I submit this opposition in good faith belief and in truth.

Sincerely,

Sharyn Provenzano

President of ProDeen, Inc. formerly DBA Proven Products
