Opposition No. 91201905

Robert Dabrowski d/b/a
Candia Vinyards

v.

The Wine Group LLC

On April 25, 2012, applicant filed an abandonment of its involved application, without opposer's consent, mistakenly referring to the application as Serial No. "85401769," even though the correct serial number of the involved application is 85290020.

In any event, Trademark Rule 2.135 provides that if, in an inter partes proceeding, the applicant files an abandonment without the written consent of every adverse party to the proceeding, judgment shall be entered against applicant.

In view thereof, and because opposer's written consent to the abandonment is not of record, judgment is hereby entered against applicant, the opposition is sustained and registration to applicant is refused.
