STRATEGIC DIAGNOSTICS INC.

Applicant

Opposition No. 91202353
Marks: GAT and XGAT

CONSENTED REQUEST TO AMEND APPLICATION

In accordance with 37 C.F.R. § 2.133 and Trademark Trial and Appeal Board Manual of Procedure §§ 212.07, 514.01 and 605.03, Applicant, Strategic Diagnostics Inc., respectfully requests that the Trademark Trial and Appeal Board ("the Board") enter an amendment in the above-captioned applications to limit the recitation of goods and services in Classes 01, 40 and 42 as follows:

"Antibodies for scientific or research use, excluding such uses having application to agriculture" in Class 01

"Antibody services, namely, custom antibody production and generation; custom manufacture of antibodies for others, excluding such antibody services having application to agriculture" in Class 40 and

"Scientific research and development, namely, development of antibodies for others, excluding scientific research and development services having application to

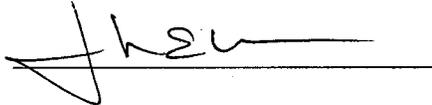

agriculture" in Class 42

This amendment merely clarifies or limits the present recitation of goods and services, and therefore, Applicant believes that the amendment is acceptable under 37 C.F.R. § 2.71(a). In accordance with 37 C.F.R. § 2.133(a), Opposer, Pioneer Hi-Bred International, Inc., has consented to this amendment. Applicant therefore respectfully requests the Board to enter the above amendment and suspend the opposition proceeding until such time as the Board acts on the amendment.

Respectfully submitted,

Signed this 15th day of May 2012
