Opposition No. 91202517

Red Robin International,  
Inc.

v.

Tennyson Williams and Tammy  
Dettman

On July 10, 2012, the parties filed applicant's proposed amendment to its application Serial No. 85343217, with opposer's consent, and the parties' stipulation to withdrawal of the opposition with prejudice, contingent upon entry of the amendment. By the proposed amendment, applicant seeks to change the recitation of services in International Class 43 **from**

Restaurant services; Cafe services; Snack bar services; Carry-out food services including the sale of cupcakes

**to**

dessert shop services in the nature of a café serving primarily cupcakes, pastries, candies, and pies.

The unopposed goods in International Class 25 would remain unchanged.

Opposition No. 91202517

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a). The contingency in opposer's withdrawal having now been met, the opposition is dismissed with prejudice.
