v.

Juan Raul Muzquiz Garcia

Lalita Greer, Paralegal Specialist:

Applicant's consented motion filed June 3, 2013 to suspend proceedings is granted. Accordingly, proceedings herein are suspended as requested, subject to the right of either party to request resumption at any time

Unless the parties sooner request resumption, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set out in the motion.

The Board, however, notes that the parties have been granted numerous suspensions or extensions.

In view thereof, all further requests for suspension (or extension) of the proceedings for settlement must be accompanied by a detailed report on the progress of the

parties' settlement talks to establish good cause for any continued suspension (or extension). Such report should include a recitation of the issues that have been resolved; an account of the issues that remain in dispute; and a firm timetable for resolution. The report should also list all dates on which the parties have discussed settlement during the prior extension period either by telephone, by correspondence, or in person.

The parties are further advised that absent submission of a detailed progress report with any future motions to extend or suspend, such motions may not be approved, even though consented to by the parties.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
