v.

Green Life Development Inc.

Monique Tyson, Paralegal Specialist:

On January 14, 2012, the Board sustained the opposition against applicant in Opposition No. 91201881, refusing registration to applicant of the mark in application, Serial No. 85259382. Accordingly, that application, which is also involved in this opposition, now stands abandoned. See Trademark Rule 2.136 and TBMP Section 807.

In this case, the discovery period is open. While the entry of judgment in the other opposition and resulting abandonment of the application does not dictate that judgment automatically be entered in this case, the application shall remain abandoned. Opposer is allowed until THIRTY DAYS from the mailing date of this order to inform the Board whether it wishes to go forward and obtain a judgment on the opposition. If opposer fails to respond to this order, the opposition will be dismissed as moot.

Proceedings herein are otherwise suspended.
