v.

Hochschule Fresenius
gemeinnützige GmbH

Tyrone Craven, Lead Paralegal Specialist:

Opposer's consented motion filed February 18, 2014 to suspend proceedings for six months is hereby granted.

Accordingly, proceedings herein are suspended until August 18, 2014, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume on August 19, 2014 without further notice or order from the Board and disclosure, discovery and trial dates are reset as set out in opposer's motion.

The parties are reminded that there is a continuing obligation to provide a report on the progress of the

parties' settlement efforts to establish good cause for any further extension or suspension. Such report must include: a recitation of issues that have been resolved and issues that remain to be resolved, and **a firm timetable for resolution**. Absent such a report, any future motion to extend or suspend may not be approved, even though agreed to by the parties.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
