Opposition No. 91205245

GLP Srl

v.

VLP Law Group LLP

On December 3, 2012, the parties filed applicant/counterclaim respondent's proposed amendment to its application Serial Nos. 85389484 and 85385746, with opposer/counterclaim defendant's consent, and the parties' withdrawal of the opposition and counterclaim with prejudice, contingent upon entry of the amendment.<sup>1</sup>

By the proposed amendment applicant seeks to change the recitation of services in International Class 45 as follows:

**Serial No. 85389484:**

**from** "Legal services" **to** "Legal services rendered by a law firm."

**Serial No. 85385746:**

**from** "Legal services" **to** "Legal services rendered by a law firm."

---

<sup>1</sup> Opposer/counterclaim defendant's consented motion to extend time, filed November 26, 2012, is noted.

**Opposition No. 91205245**

Inasmuch as the amendments are clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer/counterclaim respondent consents thereto, they are approved and entered. See Trademark Rule 2.133(a).

The contingency in the parties withdrawal having now been met, the opposition and counterclaims are dismissed with prejudice in accordance with the agreement between the parties.
