Ms. Teresa H. Earnhardt

v.

Kerry Earnhardt, Inc.

Eric McWilliams, Supervisory Paralegal:

This case now comes up on several filings. Applicant's motion for sanctions (filed December 4, 2013), opposer's response to applicant's motion (filed December 20, 2013), applicant's reply in support of its motion (filed January 8, 2014), and applicant's notice of agreement (filed January 10, 2014), are all noted.

Applicant has informed the Board that the issues raised in its motion for sanctions are moot as the opposer, Teresa H. Earnhardt, has agreed to appear at the discovery deposition. Accordingly, applicant's motion for sanctions filed December 4, 2013 will receive no further consideration.

Accordingly, the dates remain as previously reset in accordance with the parties consented motion to extend dated February 19, 2014, granted by the Board on the same date.
