**CONSENT MOTION FOR EXTENSION OF TIME
TO RESPOND TO MOTION FOR SUMMARY JUDGMENT**

Applicant Babaslings Limited (“Applicant”), with the consent of Opposer Baba Slings Pty Ltd. (“Opposer”), hereby moves for a one week extension of time to file papers addressing the Motion for Summary Judgment filed by Opposer in this proceeding.

Applicant seeks this extension on account of multiple competing deadlines. Applicant has diligently worked to prepare papers addressing the subject motion, and commenced work within days of receipt of the subject motion, but a brief due in another matter necessitates a short extension, particularly as it renders impractical the final required client communication. It was not determined that the brief in the other proceeding would be necessary until this week, and required immediate attention. Applicant has not previously requested an extension of any deadlines in this proceeding, and the extension is specifically limited to one week. Opposer will not be prejudiced, and counsel for Opposer has graciously consented to this request, which is made in good faith and not for purposes of delay.

By this request, the deadline to file responsive papers in connection with the Motion for Summary Judgment will extend to June 25, 2014.

Respectfully submitted,

Brian A. Coleman
