v.

BabaSlings Limited

Veronica P. White, Paralegal Specialist:

Applicant's consented motion (filed September 10, 2015) to further extend its deadline for an additional 60 days to serve objections and cross-questions to Opposer's depositions on written questions is granted until November 11, 2015.

Inasmuch as the parties are actively engaged in completing their testimony depositions on written questions this proceeding will remain suspended until the deposition process is completed to allow for the orderly completion of the deposition on written questions. During the suspension period, the parties should not file any paper that is not germane to the deposition on written questions. The procedures applicable to depositions on written questions are set forth in TBMP § 404.07.

The parties shall promptly advise the Board within twenty days from the completion of the deposition on written questions so that the Board can issue an order rescheduling remaining dates.
