v.

Jason Giomboni

Wendy Boldt Cohen, Interlocutory Attorney:

Pursuant to the Board's July 22, 2013 order which gave the parties time to file a proper withdrawal of application Serial No. 85419745, opposer re-filed the parties' consent agreement on July 22, 2013 which indicates an express abandonment of application Serial No. 85419745 would be filed. Because a properly executed withdrawal of application Serial No. 85419745 was not filed, the Board's November 6, 2013 order resumed proceedings. On December 5, 2013, opposer filed its consent to the withdrawal of application Serial No. 85419745. However, no express abandonment of application Serial No. 85419745 has been filed with the Board by applicant.

Opposition No. 91205814

Applicant is allowed **thirty days** from the date of this order to file a proper abandonment of application Serial No. 85419745, failing with proceedings will resume.

Proceedings are otherwise suspended.
