SIR/MADAM:

Noxxon Pharma AG (“Opposer”) by and through their undersigned attorney hereby requests suspension of the proceedings herein. The suspension is needed because an opposition is currently pending in Europe in which the same issues are being litigated. In order to preserve resources, it is therefore respectfully requested that the suspension in the instant proceeding be granted until a decision in the European proceeding has issued. Applicant’s attorney Mr. Richard P. Georget, Esq. with an address at 244 Fifth Avenue, Suite 2325 New York, NY 10001 has consented to the suspension.

Since no discovery has as yet been conducted by either party in the instant case and the discovery period as of this time is still open, opposer respectfully requests that upon resumption of the case that both parties will have the opportunity to conduct discovery as needed.

Respectfully submitted,

By
