Noxxon Pharma AG

v.

Volker A. Erdmann, Prof. Dr.

Tyrone Craven, Lead Paralegal Specialist:

Opposer's consented motion filed July 24, 2014 to suspend proceedings pending the issuance of a decision in the European proceeding, in which the same issues are being litigated, is granted.

Accordingly, proceedings are suspended pending final disposition of the European proceeding. Within twenty days after the final determination of the European proceeding, the parties shall so notify the Board so that this proceeding may be called up for appropriate action.

During the suspension period, the parties must notify the Board of any address changes for the parties or their attorneys. In addition, the parties are to promptly inform the Board of any other related cases, even if they become aware of such cases during the suspension period. Upon resumption, the appropriate dates will be reset.
