Opposition No. 91206666

Turner Entertainment Co.

v.

Tin Man Brewing Company LLC

On August 28, 2013, applicant filed an abandonment of its application Serial No. 85456717.¹

Trademark Rule 2.135 provides that if, in an inter partes proceeding, the applicant files an abandonment without the written consent of every adverse party to the proceeding, judgment shall be entered against applicant.

In view thereof, and because opposer's written consent to the abandonment is not of record, judgment is hereby entered against applicant, the opposition is sustained and registration to applicant is refused.

¹Opposer's consented motion for an extension of time (filed August 27, 2013) is noted. However, in view of the foregoing abandonment of the involved application, the motion will receive no further consideration.
