APPLICANT'S MOTION FOR EXTENSION OF TIME TO ANSWER

Applicant, Essence Collection, by and through its attorney, Jonathan A. Fallon, Esq., hereby respectfully requests a one month extension of time to file an Answer in the subject proceeding under TMBP 310.03(c). Due to Applicant's travel schedule with her business, the Applicant was unable to discuss the scope and nature of this type of proceeding before the Board with counsel until a few days ago, and being that the Applicant received an additional Notice of Opposition on the same day as the present one, the Applicant has not had ample time to determine a best path on which to proceed with both matters. The requested one month period of time is to permit the Applicant an opportunity to reach out to the Opposer and ascertain an alternative means to resolve the present matter.

Accordingly, the Applicant respectfully request the Board permit a one month extension of time to file an Answer in the subject proceeding, setting the new deadline to Answer for November 8, 2012.

Respectfully submitted,

Dated: October 9, 2012
