**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

DC COMICS,

Opposer,

-against-

CHAD DOHER,

Applicant.

NOTICE OF OPPOSITION

DC Comics (“Opposer”), a New York partnership located at 1700 Broadway, New York, New York 10019, believes that it will be damaged by the issuance of a registration for the mark R ROOFTOP HERO & Design to Chad Doher (“Applicant”), in International Class 37, applied for in Application Serial No. 85/504,995, and therefore opposes the same pursuant to Section 13(a) of the Lanham Trademark Act of 1946, 15 U.S.C. § 1063(a).

As grounds therefore, Opposer alleges as follows:

1. DC Comics and its predecessors-in-interest (collectively “DC Comics”) is the publisher of comic books and magazines featuring comic characters and stories, including the world-famous character Superman. DC Comics is among the most well known and successful publishers of comic magazines in the world. It has created and published highly successful and well-known characters, including Superman.

2. Over the many years since the Superman character was first introduced in 1938, DC Comics has focused an enormous amount of attention and effort to develop the Superman character, including the indicia associated with him. Throughout the period of Superman’s existence, DC Comics has invested a vast amount of creative energy and resources to continually

update and improve the Superman property to keep the character and his adventures timely and fresh in the public's mind. Opposer's efforts in this regard have led to a vast array of literary works, television series, and feature films, which explore in great depth Superman himself and the fictional world inhabited by him. Due to Opposer's extraordinary nurturing of the Superman character, the character has captured the popular imagination, and it is beyond dispute that today Superman is one of a rarified group of characters known and loved throughout the world.

3. Because of DC Comics' shepherding and careful development of the Superman character, Superman has become associated with certain symbols and indicia which, in the public mind, are inextricably linked with the Superman character and which function as trademarks, both for literary and entertainment works featuring Superman and related characters and for various goods and services for which Opposer has licensed others to use these marks. Among these indicia is the well-known trademark SUPERMAN and the appearance of Superman in his blue bodysuit with the letter "S" inside a five-sided shield on his chest, red cape, muscular physique and coiffed hairstyle (collectively, the "Opposer's Marks").

4. Opposer is the owner of all right, title, and interest in and to the Opposer's Marks in connection with a vast array of goods based on first use in commerce prior to any date upon which Applicant can rely, including but not limited to comic books, motion pictures, television shows, animated cartoons, amusement park rides, clothing, toys, video games, books, lunch boxes and water bottles.

5. As a result of Opposer's reputation, use, enormous sales success and significant investment in advertising, the Opposer's Marks have developed secondary meaning and significance in the minds of the public and have become strong trademarks identifying Opposer's products exclusively. As such, the Opposer's Marks represent an enormous goodwill and are extremely valuable assets to Opposer.

6. As a result of Opposer's reputation, use, substantial sales success, inestimable popularity, and significant investment in advertising, the Opposer's Marks have become famous trademarks and became famous prior to any date upon which Applicant can rely.

7. Opposer owns numerous U.S. trademark registrations for the Opposer's Marks in connection with goods and services including those relating to entertainment, publications, toys, clothing and related goods and services, including, but not limited to, the following:

- SUPERMAN, U.S. Reg. No. 2,226,026, registered Feb. 23, 1999 based on first use in January 1937, for "comic books" in International Class 16;
- SUPERMAN, U.S. Reg. No. 1,181,536, registered December 8, 1981 based on first use in 1941, for "Entertainment Services-Namely, Series of Motion Pictures, Television Programs, Animated Cartoon Films" in International Class 41.
- S, U.S. Reg. No. 1,201,167, registered July 13, 1982 based on first use in 1949, for "Towels, Sheets, Pillow Cases, Blankets, Comforters, and Drapes" in International Class 24, for the design shown here:

- S, U.S. Reg. No. 1,235,769, registered April 26, 1983 based on first use in December 1972, for "Toy Doll Figure" in International Class 28, for the design shown here:

- S, U.S. Reg. No. 1,180,292, registered December 1, 1981 based on first use in 1946, for “Adults and Childrens Clothing-Namely, Shirts, T-Shirts, Footwear, Gloves, Ties, Socks, Pajamas, Rainwear and Shorts” in International Class 25, for the design shown here:

- S, U.S. Reg. No. 1,178,048, registered November 17, 1981 based on first use in 1937, for “Books Concerning Memorabilia Relating to Fictional Characters, Children’s Books, Coloring Books, Puzzle Books, Poster Books, . . . Greeting Cards, Notepads and Posters, Paper Napkins, Paper Tablecloths, Calendars, . . . Cardboard Center Pieces, Writing Slates” in International Class 16, for the design shown here:

All of the registrations for the Opposer’s Marks relied upon herein are valid, subsisting and in full effect and serve as prima facie evidence of the validity of the mark and of Opposer’s exclusive right to use the mark in connection with the goods and services identified therein, pursuant to Section 33(b) of the Lanham Act, 15 U.S.C. § 1115(a). Additionally, all of the above-referenced registrations (with the exception of U.S. Reg. No. 1,200,233) have become incontestable under Section 15 of the Lanham Act, 15 U.S.C. § 1065, and therefore serve as conclusive proof of Opposer’s exclusive right to use the mark in connection with the goods identified therein, as provided by Section 33(b) of the Lanham Act, 15 U.S.C. § 1115(b). Attached hereto as Exhibit A are printouts from the TSDR electronic database records of the U.S. Patent and Trademark Office showing the current status and title of the registrations relied upon herein.

8. Upon information and belief, Applicant, Chad Doher, is an individual with an address at 10890 SW 47th Ave., Ocala, Florida 34476.

9. On December 28, 2011, Applicant filed Application Serial No. 85/504,995 to register the mark R ROOFTOP HERO & Design (“Applicant’s Mark”) shown here:

for “Roofing services” in International Class 37 based on an intent to use the mark, pursuant to Section 1(b) of the Lanham Act, 15 U.S.C. § 1051(b).

10. Opposer's Marks have been used continuously and/or registered by Opposer since a date prior to any date on which Applicant can rely.

11. Upon information and belief, prior to any date on which Applicant can rely, Applicant was on actual notice of Opposer's prior rights in and to the Opposer's Marks.

12. The earliest date upon which Applicant can rely is long after the use, registration and acquisition of rights in the Opposer's Marks by Opposer or its predecessors-in-interest. As such, Opposer's rights in the Opposer's Marks are prior and superior to any rights Applicant may claim in Applicant's Mark. The registration of Applicant's Mark is inconsistent with Opposer's prior rights and statutory grant of exclusivity of use.

13. Applicant's Mark is similar to Opposer's Marks in sight and commercial impression.

14. In view of the strength and breadth of use of Opposer's Marks, Applicant's services to be offered under Applicant's Mark are sufficiently related to services sold under Opposer's Marks and, upon information and belief, will be sold to the same customers or types of customers to whom goods and services bearing Opposer's Marks are to be sold.

15. Based on the similarity of the marks and goods and services, consumers are likely to be deceived into falsely believing that the services offered by Applicant under the Applicant's Mark originate from or are otherwise associated with or endorsed by Opposer, or that there is some relationship between Applicant and Opposer or the services of Applicant and Opposer, all to Opposer's injury and harm.

16. Thus, registration of Applicant's Mark in connection with the services set forth in Application Serial No. 85/504,995 in International Class 37 is likely to cause confusion, cause mistake, or to deceive the public into the false belief that the services offered by Applicant under

the Applicant's Mark come from or are otherwise sponsored by or connected with Opposer, in violation of Section 2(d) of the Lanham Act, 15 U.S.C. § 1052(d).

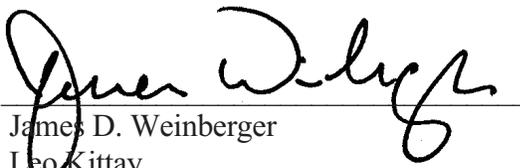

17. Moreover, Opposer's Marks are famous marks for goods and services relating to publications and entertainment, and had become famous long before the earliest priority date upon which Applicant can rely. Because Opposer's Marks have become famous, Applicant's use and registration of Applicant's Mark will damage Opposer by trading on the enormous goodwill associated with the Opposer's Marks and diluting their distinctiveness. Thus, Applicant's use and registration of Applicant's Mark in connection with the services identified in its application are likely to cause dilution by blurring and tarnishment of the famous Opposer's Marks, in violation of Sections 13(a) and 43(c) of the Lanham Act, 15 U.S.C. §§ 1063(a), 1125(c).

18. By reason of the foregoing, Opposer is likely to be harmed by the registration of Application Serial No. 85/504,995 for the Applicant's Mark in International Class 37.

THEREFORE, it is respectfully requested that this Opposition be sustained and that registration of the mark shown in Application Serial No. 85/504,995 in International Class 37 be refused in its entirety.

Dated: New York, New York
