surgical sponges; basins and vials for medical purposes namely for mixing and preparing haemostats” in International Class 10. (Printouts from the PTO TESS/TARR and Assignment databases for these registrations are attached as Exhibit A.)

3. Opposer has continuously used the SURGIFOAM mark in the United States since at least as early as January 2000, long before any priority date that may be asserted by Applicant.

Applicant and its SURGITEAM Application

4. Applicant HS TM, LLC, a Delaware corporation with an address of 220 Continental Drive, Suite 115, Newark, Delaware, is the listed owner of Application Serial No. 85472017 for the mark SURGITEAM for “surgical kits containing surgical apparatus and instruments for use by medical professionals” in class 10, based on a claimed first use date of September 30, 2011, and “promoting medical equipment, supplies, and services of others to medical professionals” in class 35, based on a claimed first use date of May 31, 2009 (the “Application”).

Likelihood of Confusion, 15 U.S.C. § 1052(d)

5. Opposer has used the SURGIFOAM mark in the United States long before the filing date of the opposed Application and any date of first use that may be alleged by Applicant. Opposer’s Registration Nos. 2967219 and 2425425 for the SURGIFOAM mark also issued prior to the filing date of the opposed Application and any date of first use that may be alleged by Applicant.

6. Applicant’s SURGITEAM mark is similar in appearance, pronunciation, and overall commercial impression to Opposer’s SURGIFOAM mark. The goods identified

in Application No. 85472017 are broad enough to encompass Opposer's goods or are closely related to Opposer's goods.

7. In view of the similarity of the parties' marks and the overlapping or closely related nature of the parties' goods, Applicant's mark SURGITEAM mark so resembles Opposer's previously used and previously registered SURGIFOAM mark as to be likely to cause confusion, or to cause mistake, or to deceive under Section 2(d) of the Lanham Act, as amended, 15 U.S.C. § 1052(d).

8. Opposer and Applicant are currently involved in Opposition No. 91202922 before the Board. In that proceeding, Opposer has opposed Application No. 85216966 filed by Applicant for the identical mark, SURGITEAM, for nearly identical goods.

WHEREFORE, Opposer believes that it is being and will be damaged by the registration of the mark shown in Application Serial No. 85472017, and respectfully requests that the opposition be sustained and registration be refused.

A filing fee has been submitted herewith. If the filing fee is found to be insufficient for any reason, please charge the deficiency to our Deposit Account No. 06-0916.

Respectfully submitted,

FERROSAN MEDICAL DEVICES A/S
