v.

IP Application Development LLC¹

Tyrone Craven, Lead Paralegal Specialist:

Opposer's motions (filed July 2, 2014 and August 1, 2014), to extend time to respond to the Board's order and obtain new counsel are granted as conceded. The granting of the August 1, 2014 motion allowed opposer until September 3, 2014 to respond. The Board notes that opposer has filed another motion to extend time to respond on September 3, 2014, without defendant's consent.

The motion will be decided in due course.

¹ Defendant's change of correspondence address filed July 2, 2014 is noted. The Board records have been updated to reflect this change.
