v.

Thanh Thuy Dao Vo

**George C. Pologeorgis,  
Interlocutory Attorney:**

On October 22, 2012, applicant filed its answer to the notice of opposition. Thereafter, on November 13, 2012, applicant filed an amended answer to the notice of opposition. Applicant's amended answer is accepted as a matter of course under Fed. R. Civ. P. 15(a)(1)(A) and is now applicant's operative pleading in this matter.

Opposer's counsel's notice of appearance filed on November 15, 2012 is noted and Board records have been updated accordingly.<sup>1</sup>

Conferencing, disclosure, discovery and trial dates remain as set forth in the Board's institution order dated October 11, 2012.

<sup>1</sup> The Board notes that opposer's counsel mis-identified the proceeding number of this case in its notice of appearance. The Board assumes this was an inadvertent typographical error.
