DL Wholesale Inc.)	
)	
Applicant.)	
)	

NOTICE OF OPPOSITION

OMS Investments, Inc., a corporation organized and existing under the laws of Delaware, with an office at 10250 Constellation Boulevard, Suite 2800, Los Angeles, California 90067 (“Opposer”), believes it will be damaged by registration of the mark BED BUGS BE GONE as shown in Application Serial No. 85/521,389, and hereby opposes its registration pursuant to 15 U.S.C. §§ 1051 *et seq.*, including specifically 15 U.S.C. § 1063.

This Notice of Opposition has been timely filed. As grounds for its opposition, Opposer alleges as follows:

1. Upon information and belief, applicant B3G Thermal Treatment, LLC is a limited liability company in Michigan with a mailing address of 610 Church Street, Ann Arbor, MI 48104 (“Applicant”).

2. As evidenced in Application Serial No. 85/521,389, Applicant seeks to register the mark BED BUGS BE GONE for “pest control and extermination other than for agricultural purposes” in International Class 037 (the “Applied-For Mark”).

3. Opposer, through its predecessors in interest and affiliates, has used in commerce its family of B GON marks, including its BUG B GON mark, since 1945. Over the years, the marks have been used on and in connection with a wide range of goods, including various pest-control products. Opposer owns several federal trademark registrations incorporating B GON as reflected in the following representative registrations (“Opposer’s Marks”):

Mark	Reg. No..	Goods/Services
SQUIRREL-BE-GONE	3,095,944	International Class 21: Bird feeders and bird feeder accessories, namely, squirrel baffles.
BUG B GON	4,198,679	International Class 5: Pesticides, insecticides for domestic use.
BUG B GON MAX	2,980,869	International Class 5: Herbicides, insecticides, fungicides, miticides, pesticides, and molluscicides, all for domestic use.
BUG B GON MAX	2,907,105	International Class 5: Insecticides for home and garden use.
ANT B GON	2,646,066	International Class 5: Insecticides for agricultural and domestic use.
BUG-B-GON	2,073,033	International Class 5: Insecticides for home and garden use.
BIRD-B-GONE	2,658,355	International Class 6: Spiked barrier for bird control.
MOSS B GON	4,143,490	International Class 5: Pesticides, herbicides.
GRASS-B-GON	1,995,777	International Class 5: Pesticides and herbicides for home and garden use.

True and correct copies of the electronic records for these registrations printed from the United States Patent and Trademark Office’s (“USPTO”) Trademark Applications and Registrations Retrieval (“TARR”) online database are attached hereto as Exhibit A. Each of the registrations noted above were issued on the Principal Register and are presently in full force and effect. Notably, Registration Nos. 2,980,869; 3,095,944; 2,907,105; 2,562,771; 2,646,066; 2,073,033; and 1,995,777 are incontestable.

4. Opposer’s Marks are valid and distinctive.

5. Opposer has expended and continues to expend substantial time, money and effort in advertising and promoting Opposer's Marks to identify itself as the source of its goods and services, such as in newspapers, magazines, sponsorships, and through nationally broadcast television and radio commercials. As a result, Opposer's Marks are some of the most recognizable and valuable brands in the pest control industry. Moreover, due to the national, and indeed, worldwide consumer recognition of Opposer's Marks, consumers have come to recognize "B GON" as also symbolizing the goodwill inherent in Opposer's Marks, and further, associate B GON solely with Opposer and its line of high quality products.

6. No issue of priority exists with respect to Opposer's first use of one or more of Opposer's Marks as set forth above and the Applied-For Mark. Opposer has used, promoted and advertised its goods and services under one or more of Opposer's Marks in commerce for over 50 years, since at least as early as 1958. Conversely, Applicant alleges only recent use of the BED BUGS BE GONE mark in commerce since 2009, which means that Opposer has priority over Applicant with respect to the Applied-For Mark.

7. The Applied-For Mark is confusingly similar to Opposer's Marks because it is similar in appearance, sound and commercial impression, pursuant to 15 U.S.C. § 1052(d). Among other things, the Applied-For Mark contains the distinctive component "BE GONE," which is a prominent element in Applicant's mark and which is identical in sound to the famous and distinctive "B GON" and BE-GONE elements in Opposer's Marks. As a result, the Applied-For Mark shares a similar commercial impression with Opposer's Marks, thereby creating a risk of consumer confusion. Specifically, consumers may believe, incorrectly, that the Applied-For Mark is an extension of Opposer's family of B GON marks. The likelihood of confusion between the Applied-For Mark and Opposer's Marks is further exacerbated because the goods

sold under the Applied-For Mark, namely pest control and extermination, are closely related to the products sold under Opposer's Marks and there is likely to be direct overlap in the parties' marketing, trade channels and targeted consumers.

8. Given the goodwill and public recognition arising from the association of Opposer's Marks with Opposer, consumers are likely to believe that Opposer has licensed, approved or otherwise authorized Applicant's use of the Applied-For Mark when it has not.

9. The maturation of Applicant's application into registration will cause a likelihood of confusion, mistake or deception with respect to the source or origin of Applicant's goods. Consumers will erroneously believe that Applicant's goods are produced by or associated with, Opposer.

10. In summary, registration of the Applied-For Mark would be incorrect and improper in view of the requirements of the Trademark Act of 1946, as amended, including specifically but not limited to, the provisions of 15 U.S.C. §§ 1051, et seq.

WHEREFORE, Opposer prays that this Opposition be sustained, and that registration to Applicant for the mark BED BUGS BE GONE as shown in Application Serial No. 85/521,389 for the goods identified in International Class 037 be denied.

Opposer submits this Notice of Opposition via the e-filing procedure of the Trademark Trial and Appeal Board ("the Board"), and hereby advises the Board that it may debit the Deposit Account No. 083436 of Hunton & Williams LLP for the appropriate filing fee.

Dated: October 17, 2012

Respectfully submitted,

By:
