v.

Wolvol Inc

ELIZABETH J. WINTER, INTERLOCUTORY ATTORNEY:

On November 20, 2014,¹ the Board suspended this proceeding to allow the parties sufficient time in which to complete Opposer's testimonial deposition on written questions of Monica Dempe. After the time allowed for the parties to exchange cross, redirect, and recross questions, Opposer filed a revised notice stating that Opposer would take Ms. Dempe's testimony deposition upon written questions on February 5, 2016. On April 2, 2016, the Board required Opposer to provide a status report regarding whether the testimony deposition had been conducted.

It is noted that Opposer promptly responded to the Board's order on April 5, 2016, stating that Ms. Dempe's deposition had been conducted and that Opposer anticipated that the signed transcript will be filed in April or May, 2016.

¹ In accordance with the Board's order mailed on August 28, 2014, Opposer's testimony period was set to close on December 1, 2014. Therefore, ten days remain in Opposer's testimony period.

In view thereof, Opposer is directed to notify the assigned Interlocutory Attorney by electronic mail (elizabeth.winter@uspto.gov) when Opposer files the testimony deposition transcript so that trial periods can be reset.

This proceeding remains **SUSPENDED**.
