Opposition No. 91207848

Rodeo Realty

v.

William Ambrose Kennedy

To whom it may concern;

Please be advised that I am in receipt of letter dated (Mailed) July 5, 2014 which states that I, William Ambrose Kennedy, have failed to comply to requests for initial disclosures. Also it has been alleged that I am playing a "blind man's bluff" which couldn't be further from the truth.

I have been asked for notes and discussions from meetings which I had regarding my television show "RODEO REALTY". Quite frankly I cannot remember every word spoken only that there was very strong interest from both Gavon Palone's office as well as Brillstein Grey.

Also opposer is fully aware that applicant had taken time away from his career in Los Angeles to care for his 90 year old mother in Boston and that she passed on Feb. 12 2014. I can provide a copy of her death certificate, if needed. Opposer is also aware that applicant has had many high profile acting jobs during the same time period. I just wrapped a Warner Brother's crime drama starring Johnny Depp titled BLACK MASS in which I play former FBI Director William Sessions. Please go to IMDB.com and look up William Ambrose Kennedy.

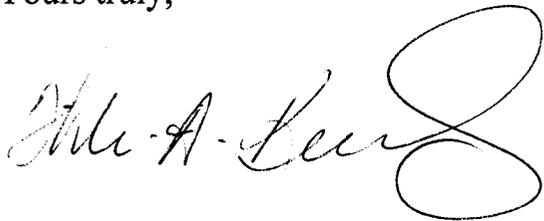

As I close down my mother's estate and return to Los Angeles (or New York) I will be able to place more time and effort and possibly trademark representation

and we will all see that I have never been playing a “blind man’s bluff”. We all must remember that there is a parallel mark opposition on to Ser. No. 76/268434 in which opposer’s council told us that their mark had something to do with livestock and animals.

I will proceed with my trademark trial.

Yours truly,

A handwritten signature in cursive script, appearing to read "Wm. A. Kennedy". The signature is fluid and includes a large, decorative flourish at the end.
