Opposition No. 91208266

Uncle Milton Industries, Inc.

v.

Team John Whitaker Limited

**Nicole Thier, Paralegal Specialist:**

This serves to correct an error in the Board's June 19, 2013 order. In the order, the Board failed to indicate that opposer's motions (filed May 8, 2013 and May 10, 2013) to compel included initial disclosures, responses to interrogatories and production of documents.

The Board regrets such error and any resulting inconvenience. Accordingly, the Board's June 19, 2013 order is hereby vacated and replaced herewith.

Proceedings are suspended pending disposition of opposer's motions to compel initial disclosures, responses to interrogatories and production of documents. The parties should not file any paper which is not germane to the motion to compel. See Trademark Rule 2.120(e)(2).

This suspension order does **not** toll the time for either party to make any required disclosure, to respond to discovery requests which had been duly served prior to the filing and service of the motion to compel, or to appear for a discovery deposition which had been duly noticed prior to the filing and service of the motion to compel. See *Id.* The motion to compel will be decided in due course.
