IN THE MATTER OF: Trademark Application Serial Nos. 85/531119 and 85/531110

DATES OF PUBLICATION: June 26, 2012 (S.N. 85/531119); July 10, 2012 (S.N. 85/531110)

Oracle America, Inc.,

Opposer,

v.

Jefferson Audio Video Systems, Inc.

Applicant.

Opposition No. 91208602

**JOINT STIPULATED MOTION FOR AMENDMENT
OF APPLICATIONS ON CONSENT**

WHEREAS, Opposer Oracle America, Inc. (“Oracle” or “Opposer”) and Applicant Jefferson Audio Video Systems, Inc. (“Jefferson” or “Applicant”) have entered into an agreement to resolve the above-captioned Opposition proceeding (No. 91208602) pursuant to which the listings of goods in Application Serial No. 85/531119 and Application Serial No. 85/531110 are to be amended; and

WHEREAS, pursuant to 37 CFR § 2.133(a), an application involved in a proceeding may not be amended in substance nor may a registration be amended or disclaimed in part, except with the consent of the other party or parties and the approval of the Trademark Trial and Appeal Board, or except upon motion granted by the Board; and

WHEREAS, the proposed amendments to the listing of goods in Application Serial No. 85/531119 and Application Serial No. 85/531110 call for restricting the goods,

not expanding them.

NOW THEREFORE, the parties hereto, through their respective counsel, hereby request, consent to, stipulate, and agree that the listing of goods in Application Serial No. 85/531119 be amended as follows:

“Video wrist monitor connected to a video camera; assistive listening devices not for medical purposes, namely, headphones, microphones, transmitters and receivers; Internet Protocol video encoders; electrical cables; speaker distribution boxes to distribute audio input to multiple speakers”

and that the listing of goods in Application Serial No. 85/531110 be amended as follows:

“cameras; microphones; amplifiers; digital audio/video recorders; digital signage; electrical power strips; electrical power transformers; audio and video distribution amplifiers; electrical control boxes with system control buttons; transcription devices, namely, a foot pedal that controls computer software for the transcription of audio and video recordings; proprietary computer software for controlling the operation of audio and video devices specifically enabled to run and execute the proprietary software; proprietary computer software for publishing to other media audio recordings and video recordings specifically created by the proprietary software; computer software for scheduling audio recording sessions and video recording sessions; proprietary computer software for searching and locating audio and video recordings stored in a database and specifically created by the proprietary software; proprietary computer software to play back and/or view audio and video recordings specifically created by the proprietary software; proprietary enterprise software for controlling and managing the storage and retrieval of audio and video recordings on a computer server and specifically created by the proprietary software; computer software for transcribing audio recordings and video recordings.”

Board approval to the amendment of Application Serial No. 85/531119 and Application Serial No. 85/531110 without prejudice is respectfully requested, expeditious handling of which is courteously solicited.

The Board is encouraged to contact the undersigned with any questions.
