Opposition No. 91208808

Jonathan Turner

v.

Universal Power Group, Inc.

On November 12, 2013, the parties' filed a stipulated motion to dismiss the opposition with prejudice and to dismiss the petition for cancellation without prejudice. However, the Board notes that a petition for cancellation was not filed in this proceeding, rather a counterclaim to cancel petitioner's registration.

Accordingly, the Board will construe the parties' filing as a motion to dismiss the opposition with prejudice and a dismissal of the counterclaim without prejudice.

In view thereof, the opposition is dismissed with prejudice and the counterclaim is dismissed without prejudice.
