**George C. Pologeorgis,

Proceedings are **suspended** pending disposition of opposer's motion to compel filed on November 13, 2013, except as discussed below. The parties should not file any paper which is not germane to the motion to compel. *See* Trademark Rule 2.120(e)(2).

This suspension order **does not** toll the time for either party to make any required disclosure, to respond to discovery requests which had been duly served prior to the filing and service of the motion to compel, or to appear for a discovery deposition which had been duly noticed prior to the filing and service of the motion to compel. *See Id.*

Further this suspension **does not** toll the time for opposer to comply with the Board's November 3, 2013, order.

Opposer's motion to compel will be decided in due course.
