v.

The Wine Group LLC

By the Trademark Trial and Appeal Board:

On April 6, 2014, applicant filed an abandonment of its application Serial No. 85736374 and dismissal of counterclaim.

Trademark Rule 2.135 provides that if, in an inter partes proceeding, the applicant files an abandonment without the written consent of every adverse party to the proceeding, judgment shall be entered against applicant.

In view thereof, and because opposer's written consent to the abandonment is not of record, judgment is entered against applicant, the opposition is sustained and registration to applicant is refused.

Counterclaim

Insofar as applicant submitted request to dismiss counterclaim, and because the withdrawal was filed after answer, the counterclaim is dismissed with prejudice.
