Opposition No. 91208921

Zoom Telephonics, Inc.

v.

Limited

By the Trademark Trial and Appeal Board:

On May 6, 2013, the Board allowed applicant thirty days to submit opposer's written to the abandonment of its application Serial No. 85607295, failing which judgment would be entered against applicant, the opposition would be sustained, and registration to applicant would be refused.

No response having been received and because opposer's written consent to the abandonment is not of record, judgment is entered against applicant, the opposition is sustained and the applicant stand abandoned.
