Tyrone Craven, Lead Paralegal Specialist:

It has come to the Board's attention that ESTTA, the Board's electronic system, granted opposer's consented motions to suspend filed November 6, 2013 and January 14, 2014, before an opportunity arose for consideration of opposer's stipulated protective agreement filed November 1, 2013.

Accordingly, the stipulated protective agreement filed November 1, 2013 is noted and its use in this proceeding is approved.¹ The parties are referred, as appropriate, See TBMP §§ 412 (Protective Order), 412.04 (Filing Confidential

Materials With Board), 412.05 (Handling of Confidential Materials by the Board).

The parties are advised that only confidential or trade secret information should be filed pursuant to a stipulated protective agreement. Such an agreement may not be used as a means of circumventing Trademark Rules 2.27(d) and (e), which provide, in essence, that the file of a published application or issued registration, and all proceedings relating thereto, should otherwise be available for public inspection.

Proceedings remain suspended. Trial dates remain as set out in opposer's January 14, 2014 motion.
