v.

Price REM LLC

Christen M. English, Interlocutory Attorney:

On June 5, 2013, applicant filed a motion to amend its involved application Serial No. 85523047, with opposer's consent. By the proposed amendment, applicant seeks to change the identification of goods **from** "Antimicrobial coatings to treat the growth of mold, mildew, bacteria and fungus on various surfaces " **to** "Antimicrobial coatings to treat the growth of mold, mildew, bacteria and fungus on various surfaces not related to veterinary uses or other animal-related uses."

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

If this resolves the dispute herein, opposer is allowed until thirty days from the mailing date of this order to file a withdrawal of the opposition, failing which the opposition
