Opposition No. 91209206

Spiraledge, Inc.

v.

Premium Sales Network, LLC

Tyrone Craven, Lead Paralegal Specialist:

It has come to the Board's attention that ESTTA, the Board's electronic system, granted applicant's consented motion to extend time (filed December 20, 2013) and opposer's consented motion to extend (filed January 6, 2014), but did not take into consideration that the expert disclosure deadline had passed. The error is regretted.

Accordingly, the Board's January 6, 2014 order is hereby vacated. Because the parties are negotiating for possible settlement of this case, proceedings herein are suspended until **three months** from the mailing date of this action, subject to the right of either party to request resumption at any time. See Trademark Rule 2.117(c).

In the event that there is no word from either party concerning the progress of their negotiations, upon

conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set out below.

Proceedings resume:	5/6/14

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
