Defendant respectfully requests a 45-days extension till July 07, 2013 to file its Answer to the opposition.

The reason of this request is due to within our entity a final decision of whether to continue with this particular application has not been concluded as of now. We believe with an extra 45 days (from today), a decision will be accurately weighted and a conclusion will be delivered to all parties involved in this opposition # 91209304.
