NOTICE OF OPPOSITION

SENSUS SPECTRUM LLC, a limited liability company duly organized and existing under the laws of Delaware, with a place of business at 8601 Six Forks Road, Suite 700, Raleigh, NC 27615 ("Opposer"), believing that it will be damaged by registration, hereby opposes Application Serial No. 79/108,691, filed under Section 66 of the Trademark Act, 15 USC §1141f, on November 11, 2011 for the mark FLOWSONIX for "measuring instruments and measuring apparatus for measuring of mass flows, in particular of gas, namely, flowmeter; software for the operation, the evaluation and development of motors and vehicles; computer and control programs for the modelling of motors; data storage devices with recorded software for the operation, the evaluation and development of motors and vehicles" in International Class 9, in the name of AVL LIST GMBH ("Applicant"), and published for opposition in the United States Patent and Trademark Office's ("USPTO") *Official Gazette* of October 16, 2012 at page TM626.

The grounds for Opposition are as follows:

1. Opposer, SENSUS SPECTRUM LLC, obtained an extension of time to oppose Application Serial No. 79/108,691 until February 13, 2013.

2. Opposer is a limited liability company organized under the laws of Delaware, having a principal place of business at 8601 Six Forks Road, Suite 700, Raleigh, NC 27615.

3. Prior to Applicant's filing date, Opposer engaged and is now engaged in the manufacture, distribution, sale, advertising, and promotion in interstate commerce of metering infrastructure systems for water, gas, electric and heat utilities, including gas meters and fluid flow meters.

4. Prior to Applicant's filing date, Opposer used, and is now using Opposer's SONIX mark ("Opposer's Mark") in connection with goods, including "gas meters and fluid flow meters" distributed and sold by Opposer in commerce.

5. Opposer is the owner of, and will rely herein upon, the following federal trademark registration, pursuant to Trademark Rule 2.122(d)(1):

Reg. No. / Reg. Date	MARK	GOODS
2548546 March 12, 2002	SONIX	Class 9: fluid flow meters

Said registration of Opposer is valid and subsisting. Copies of the USPTO's TSDR and Assignment records of Opposer's above-identified registration are attached as Exhibit 1.

6. Opposer owns U.S. Application Serial No. 85/770,048 for the mark SONIX for "gas meters and fluid flow meters" in International Class 9.

7. In addition to the goods specified in the above-identified Registration and pending Application, Opposer will rely on its common law rights in its SONIX mark.

8. Since Opposer's initial use of its SONIX mark, Opposer has used, advertised, promoted, and offered Opposer's goods bearing the mark in commerce, with the result that members of the relevant consuming public have come to know and recognize Opposer's Mark and associate same with Opposer and/or goods offered by Opposer. Opposer has established goodwill in connection with the sales of products under its SONIX mark.

9. Upon information and belief, on November 11, 2011, Applicant filed an application for registration of the alleged FLOWSONIX mark. Applicant's application was assigned Serial No. 79/108,691 by the USPTO.

10. The current identification of goods for Applicant's Application Serial No. 79/108,691 is "measuring instruments and measuring apparatus for measuring of mass flows, in particular of gas, namely, flowmeter; software for the operation, the evaluation and development of motors and vehicles; computer and control programs for the modelling of motors; data storage devices with recorded software for the operation, the evaluation and development of motors and vehicles" in International Class 9. Applicant's Application was published for opposition in the USPTO *Official Gazette* of October 16, 2012.

11. The term "FLOW" within Applicant's mark is descriptive of "measuring instruments and measuring apparatus for measuring of mass flows, in particular of gas, namely, flowmeter" in Applicant's identification of goods in Application Serial No. 79/108,691.

12. Applicant's mark FLOWSONIX is comprised of Opposer's mark SONIX combined with the descriptive word "flow."

13. Applicant's FLOWSONIX mark is a simulation and colorable imitation of, and so resembles Opposer's SONIX mark as to be likely, when applied to the goods of Applicant, to cause confusion or mistake, or to deceive the relevant consuming public, resulting in damage and detriment to Opposer and its reputation, all in violation of Section 2(d) of the Trademark Act, 15 USC §1052(d).

14. Upon information and belief, Opposer and Applicant are both engaged in the sale and promotion of their respective goods through the same or overlapping channels of trade and to the same general classes of consumers.

15. Opposer, upon information and belief, avers that members of the relevant consuming public are likely to be confused, mistaken, or deceived as to the origin and sponsorship of Applicant's goods marketed under Applicant's alleged FLOWSONIX mark and misled into believing that such goods are produced by, emanate from, or are in some way associated with Opposer, to the damage and detriment of Opposer.

16. Upon information and belief, the *bona fides* of Applicant's Madrid Protocol-based Application Serial No. 79/108,691 are not apparent from materials of record in the subject application, and Opposer therefore challenges same and leaves Applicant to its proofs with regard to the nature and sufficiency of Applicant's *bona fide* intention to use the FLOWSONIX mark at the time of filing Application Serial No. 79/108,691, and at any time thereafter.

17. Opposer, upon information and belief, avers that it will be damaged by the use and/or registration by Applicant of the alleged FLOWSONIX mark, as set forth in Applicant's Application Serial No. 79/108,691, in that the mark is confusingly similar to Opposer's mark and common law rights and would be used in connection with goods identical and/or related to the goods offered by Opposer.

WHEREFORE, Opposer, SENSUS SPECTRUM LLC, believes and avers that it will be damaged by registration of the FLOWSONIX mark, and requests that Application Serial No. 79/108,691 be rejected, that no registration be issued thereon to Applicant, and that this Opposition be sustained in favor of Opposer.

Opposer has appointed ROBERTA S. BREN, a member of the law firm of OBLON, SPIVAK, McCLELLAND, MAIER & NEUSTADT, L.L.P., a member of the Bar of the Commonwealth of Virginia, to prosecute this opposition proceeding and to transact all business in and before the United States Patent and Trademark Office in connection herewith. Please address all correspondence to:

ROBERTA S. BREN
OBLON, SPIVAK, McCLELLAND,
