**Tyrone Craven, Lead Paralegal Specialist:**

On June 24, 2014, applicant filed a copy of opposer's notice of opposition (filed February 19, 2013) with a coversheet submission titled "Withdrawal of Application".

Applicant is advised that the filing of the notice of opposition is not sufficient for the Board to take action and withdraw applicant's application. If applicant is requesting withdrawal of its application, a proper withdrawal of application should be filed. See TBMP 602.01.

Accordingly, proceedings herein remain suspended and applicant is allowed **twenty days** from the mailing date of this order to file a proper withdrawal, failing which, proceedings will resume in accordance with the Board's June 2, 2014 order.
