This Bar Serves Drinks to All Skin Types

Kiss My Face Pure Olive Oil Soap

All skin is thirsty for moisture. Each pure and natural bar contains 86% olive oil from real olives harvested from sun-drenched Mediterranean orchards (the natural ripening process is the reason for the variation in shades.)

The formula is the same as it was 150 years ago, no foamers, artificial color or additives back then or now.

Choose from 5 varieties that moisturize as they cleanse: Pure Olive Oil, Olive & Aloe, Olive & Honey, Olive & Herbal, or Chamomile Olive. Only synthetics can look perfectly uniform. Instead, our soap is designed to make your skin perfectly lovely.
